

## **Sunday Fall 2019**

### **(Try Me) Second Sunday Snowshoe** - Anne Donnelly

Landis Arboretum 174 Lape Rd, Esperance

1 – 3pm Jan 12, Feb 9, Mar 8

Every second Sunday in January, February, and March, Landis Arboretum invites you to learn about the different types of snowshoes, and to practice the basic skills you need to enjoy the serenity and unique beauty of winter on snowshoes on the Arboretum trails. If there is no snow, we will still be there. There is nothing better than a snowy hike in the crystal clear air of winter, and hot chocolate and cookies afterwards! There is a limited number of snowshoes available (sizes are from toddler to teens and adults). Bring your family, too! Everyone will get a chance to try out the snowshoes, but arrive early if you need them, or bring your own.

### **Sun-1 Egyptian Collection at Albany Institute of History and Art** - Amy Wilson
